(1) Gross voting rights number (or « theoretical » voting rights) is used as a calculus base for the crossing of the threshold. In accordance with article 223-11 of general regulation of Autorité des Marchés Financiers, this number is calculated on the basis of all shares carrying the single and double voting rights, including shares without voting rights.

(2) Without treasury shares

(3) The number of shares and voting rights raised following the issuance of 3 000 000 new shares (cf. [Note d'opération Visa n°17-161](#) available on the Company's website)

(4) The number of shares increased due to issuance of shares consequently to warrants exercises which a Board of Director will take notice of in the future.
