Gross voting rights number (or « theoretical » voting rights) is used as a basis for calculating the crossing of the threshold. In accordance with (1) article 223-11 of general regulation of Autorité des Marchés Financiers, this number is calculated on the basis of all shares carrying the single and double voting rights, including shares without voting rights.

(2) Without treasury shares

(3) The number of shares and voting rights increased due to issuance of shares consequently to warrants exercises and or end of vesting periods of free shares which a Board of Director will take notice of in the future.
