

**ERYTECH Announces Pricing of Global Offering and
Approval to List on Nasdaq Global Select Market**

LYON, France—(BUSINESS WIRE)—Nov. 10, 2017— Regulatory News:

ERYTECH Pharma (Paris:ERYP) (ADR:EYRY) (“ERYTECH” or the “Company”), a clinical-stage biopharmaceutical company developing innovative therapies by encapsulating therapeutic drug substances inside red blood cells, today announced the pricing of its global offering to specified categories of investors of an aggregate of 5,374,033 new ordinary shares, comprising an offer of 4,686,106 ordinary shares in the form of American Depositary Shares, each representing one ordinary share (“ADSs”), in the United States at an offering price of \$23.26 per ADS and a concurrent private placement in Europe (including France) and other countries outside of the United States and Canada of 687,927 ordinary shares at the corresponding offering price of €20 per ordinary share (together, the “Global Offering”), for aggregate gross proceeds of approximately \$125 million before deducting underwriting commissions and estimated expenses payable by the Company. In addition, ERYTECH has granted the underwriters a 30-day option to purchase up to 806,104 additional ADSs and/or ordinary shares on the same terms and conditions, representing 15% of the ADSs and/or ordinary shares to be issued by the Company in the Global Offering (the “Over-allotment Option”).

The offering price per ADS in the U.S. offering corresponds to the offering price of €20 per ordinary share (based on the November 9, 2017 exchange rate of €1.1630 per U.S. dollar). The offering price represented a discount of 9.79% from the volume-weighted average price of the Company’s ordinary shares on the regulated market of Euronext Paris during the three trading days preceding the date of determination of the offering price on November 9, 2017 (i.e. November 7, 8 and 9, 2017).

ERYTECH’s ordinary shares are listed on Euronext Paris under the ticker symbol “ERYP”. ERYTECH’s ADSs have been approved for listing on the Nasdaq Global Select Market under the ticker symbol “ERYP” and are expected to begin trading on November 10, 2017.

Following closing of the Global Offering, which is expected to occur on or about November 14, 2017, subject to customary conditions, the Company will have issued 5,374,033 ordinary shares (including ordinary shares in the form of ADSs) representing 31% of the share capital of the Company after completion of the transaction and the total issued share capital of the Company will be 17,119,681 ordinary shares (including ordinary shares in the form of ADSs). In case of exercise of the Over-allotment Option, the Company will issue a maximum of 806,104 new shares (including ordinary shares in the form of ADSs) representing 4.7% of the share capital.

The Company expects to use the net proceeds from the Global Offering as follows :

- approximately €42 (\$50) million to conduct its planned pivotal Phase 3 clinical trial of eryaspase for the treatment of second-line metastatic pancreatic cancer in the United States and Europe;
- approximately €17 (\$20) million to conduct its planned pivotal Phase 3 clinical trial of eryaspase as a first-line treatment of acute lymphoblastic leukemia (“ALL”);
- approximately €17 (\$20) million to advance the development of eryaspase and potential follow-on products for other indications;

- approximately €4 (\$5) million to fund overall development of its ERYCAPS platform technology and other preclinical development programs; and
- the remainder for working capital and other general corporate purposes.

The Company's share capital before and after the completion of the Global Offering is as follows:

(*) Based on the latest available shareholding statement and information available, AURIGA Partners also holds 129,310 shares in bearer form, thereby making its aggregate ownership interest in the Company 9.77% of the Company's outstanding share capital and 16.28% of the Company's voting rights before the Global Offering and 6.70% of the Company's outstanding share capital and 11.60% of the Company's voting rights after the Global Offering and before exercise of the Over-Allotment Option.

On an illustrative basis, a shareholder holding 1% of the Company's share capital before the issuance and who did not participate in the Global Offering will now hold a stake of 0.69% after the transaction.

As announced previously, the Global Offering benefited from the support of the Company's shareholders, corresponding to an aggregate amount of approximately €66 million, representing 62% of the Global Offering. More specifically, Baker Bros Advisors LP participated to the Global Offering for an amount of approximately €53 million, representing 50% of the Global Offering.

In relation to the Global Offering, the Company has entered into a lock-up agreement, which contemplates a 90-day standstill period on future share issuances from the date of the U.S. prospectus, and the Company's officers and directors have also entered into lock-up agreements restricting disposals of the shares they currently own for the same period, in each case, subject to certain customary exceptions and waiver by the joint book-running managers.

Jefferies LLC is acting as global coordinator and joint book-runner for the Global Offering. Cowen and Company, LLC is acting as joint book-runner and JMP Securities LLC is acting as lead manager for the offering of ADSs in the United States. ODDO BHF SCA is acting as joint book-runner for the private placement of the Company's ordinary shares in Europe.

The Over-allotment Option may be exercised at any time in whole or in part upon notice by the underwriters to the Company, which notice may be given at any time from today to December 8, 2017. In connection with the Global Offering, Jefferies LLC, acting as stabilizing manager may over-allot the securities or effect transactions with a view to supporting, stabilizing, or maintaining the market price of the securities at a level higher than which might otherwise prevail in the open market. However, there is no assurance that the stabilizing manager will take any stabilization action and any stabilization action, if begun, may be ended at any time without prior notice. Any stabilization action or over-allotment shall be carried out in accordance with all applicable rules and regulations and may be undertaken on the regulated market of Euronext Paris and/or the Nasdaq Global Select Market.

The issuer has filed a registration statement including a prospectus with the SEC for the global offering to which this communication relates, which registration was declared effective on November 9, 2017. Before you invest, you should read the prospectus in that registration statement and other documents the issuer has filed with the SEC for more complete information about the issuer and the global offering. You may obtain these documents for free by visiting EDGAR on the SEC website at www.sec.gov. Forward-looking information

This press release contains forward-looking statements, forecasts and estimates with respect to the expectations regarding the closing of the Global Offering and ERYTECH’s anticipated use of proceeds therefrom, ERYTECH’s clinical development plans, business and regulatory strategy, and the anticipated future performance of ERYTECH and of the market in which it operates. Certain of these statements, forecasts and estimates can be recognized by the use of words such as, without limitation, “believes”, “anticipates”, “expects”, “intends”, “plans”, “seeks”, “estimates”, “may”, “will” and “continue” and similar expressions. They include all matters that are not historical facts. Such statements, forecasts and estimates are based on various assumptions and assessments of known and unknown risks, uncertainties and other factors, which were deemed reasonable when made but may or may not prove to be correct. Actual events are difficult to predict and may depend upon factors that are beyond ERYTECH’s control. There can be no guarantees with respect to pipeline product candidates that the candidates will receive the necessary regulatory approvals or that they will prove to be commercially successful. Therefore, actual results may turn out to be materially different from the anticipated future results, performance or achievements expressed or implied by such statements, forecasts and estimates. Documents filed by ERYTECH with the AMF and the U.S. Securities and Exchange Commission, also available on ERYTECH’s website describe such risks and uncertainties. Given these uncertainties, no representations are made as to the accuracy or fairness of such forward-looking statements, forecasts and estimates. Furthermore, forward-looking statements, forecasts and estimates only speak as of the date of this press release. Readers are cautioned not to place undue reliance on any of these forward-looking statements. ERYTECH disclaims any obligation to update any such forward-looking statement, forecast or estimates to reflect any change in ERYTECH’s expectations with regard thereto, or any change in events, conditions or circumstances on which any such statement, forecast or estimate is based, except to the extent required by law.
